NFA hosts CAF B Diploma Coaching Course

The Namibia Football Association is pleased to inform all football stakeholders, coaches and lovers of our beautiful game that it will host the prestigious Confederation of African Football [CAF] B Diploma Coaching Course from the 5th July to 25th October 2026.

This internationally recognised coaching qualification forms part of the NFA's ongoing commitment to strengthen coaching capacity and raising the technical standards of football in Namibia. The course will be delivered over four modules, namely: Module 1 [from 5th to 12th July], Module 2 [from 16th to 23rd August], Module 3 [from 20th to 27th September], and Module 4 [from 18th to 25th October 2026].

The CAF B Diploma Coaching Course will be facilitated by esteemed CAF Instructor, Steve Coetsee, with the support of Nicholas Jacobs and William Kapukare, both accredited FIFA Coach Educators and Diploma holders. Their combined expertise and wealth of experience will provide participants with world-class technical instruction, equipping them with the knowledge, practical skills and leadership competencies required to advance coaching excellence and contribute meaningfully to the continued growth and development of Namibian football.

The CAF B Diploma Coaching Course has a maximum intake of 30 participants, comprising coaches from Namibia, Botswana, eSwatini, Zambia and Zimbabwe, reflecting the regional significance of the programme and fostering the exchange of knowledge and best coaching practices across Southern Africa relative to the letter and the spirit of the African Continental Free Trade Agreement signed by the Government of the Republic of Namibia.
